## Luxury Private Residences Serviced by Europe's First Pan Pacific Hotel

---

One Bishopsgate Plaza is for people whose lives never slow down. For whom there can be no compromise on quality – quality of time, quality of service and quality of life.

One Bishopsgate Plaza offers no compromise. A new landmark tower located in the true heart of the City, on a major transport hub, with access to the offices of global institutions right on your doorstep.

But what truly sets the apartments at One Bishopsgate Plaza apart is their situation: arranged across 20 levels above a new Pan Pacific hotel – the first in Europe. Offering access to hotel services below and private amenities above, seamlessly integrating into your busy daily life.

World-class apartments above a world-class hotel in a world-class city location. Quite simply, a life without compromise.

## Your Sanctuary in the Sky

---

The Sky Residences at One Bishopsgate Plaza represent the epitome of contemporary luxury living.

The unique location with its imposing views is only the beginning. Each day opens up new and exciting possibilities – from the convenience of the hotel's services to the sense of comfort, privacy and security that can only be created within your own home.

## The City on Your Doorstep

---

It is a rare opportunity to live in the heart of the City of London. One Bishopsgate Plaza gives you access to this opportunity and the powerful benefits it brings.

London is a global financial centre and the Square Mile is at its historic heart, populated by FTSE100 businesses and the headquarters of global multinationals – many within walking distance of the development.

One Bishopsgate Plaza sits on a transport hub that provides quick access to all points of London, including the West End, Canary Wharf, London City Airport, Heathrow and Eurostar.

The introduction of the new Elizabeth Line Crossrail services from Liverpool Street Station in 2022 will cut journey times and bring London – and the world ever closer.

## The Beauty of Time

---

We understand that time is your most valuable commodity. And that is why life at One Bishopsgate Plaza has been designed to help you maximise it. From an unparalleled location, attentive concierge services and access to hotel amenities, to a range of à la carte services – so that time is created for what really matters.

That could be more time to enjoy the simple things in life, spending time with friends and loved ones, or making the most of some time to yourself. A contemplative coffee, a reviving swim, a chance to read another chapter of a book in the library. Or more time to enjoy the journey because the destination is that much closer.

## A Home with Services on Demand

---

There is no substitute for services that are genuinely on demand – services that are designed to deliver everything you want, easily and quickly, every time.

From a light meal after a long flight to the perfect Martini after a busy day, the services of the Pan Pacific London are available night and day. A limousine to the airport or a mohair suit pressed for an early morning meeting – nothing seems impossible at One Bishopsgate Plaza.

# THE SKY RESIDENCES
